Welcome Back Fighting Eagles! & Welcome New Fighting Eagles!

Fall Sports is finally here! I am very excited to announce the 2017 Fall Pre-Season Schedule! But first, let me welcome you and hope that you had an exciting and restful summer! Seniors, this is your year to strive for excellence and be the leader of your team! Juniors and Sophomores, this is your year to continue to get better and train harder than last year. Freshman, this is your year for upsets and surprises. Whatever jersey you put on, it all has the same name: "NAVAJO PREP!" So let's represent it well on and off the field/court.

We had a very successful year last year in 4A. Our Boys Cross Country Team are the 2016 District and 4A State Champions! The Volleyball Team are the 2016 4A District Champions! The Girls Soccer Team are the 2016 District Runner-up. The Boys and Girls Basketball Teams are the 2016-2017 District Runner-up. The 2017 Baseball team are the District Runner-up and our 2017 Track & Field team are the District Runner-up. We have our own 4A State Champ in Track & Field in the 100m & 300m Hurdles! We want the 2017-2018 year to be just as great and therefore it is *imperative* that you attend pre-season practice! This is the 1st official day of practice, not when you come back to school. Each coach is very excited to meet you, teach you, and win with you! So make sure you do your part and be prepared and in shape for pre-season!

Before you will be allowed to check into the dorms or practice, you will need to have the following **Required Documents**:

- Sports Physical packet completed
- Magnus Completed (contact school nurse for more information)

Again, you will **NOT** be allowed to check into the dorms, stay on campus, or practice until these required documents are turned in to the Athletic Director.

There is a \$50.00 Athletic Fee for each sport an athlete participates in. The athletic fee will go back to the program and help with supplies and equipment for that sport. The \$50.00 Athletic Fee will need to be paid within the first 2 weeks of the sport program. There are 2 options for parents to pay this fee:

- 1) Pay the full amount of \$50.00
- 2) Pay \$30.00 and the remaining balance of \$20.00 can be substituted by the parent taking one course on the National Federation of High School (NFHS) website: www.nfhslearn.com. There are 5 courses a parent can choose from:

- 1) Positive Sport Parenting
- 2) Social Media
- 3) Sportsmanship
- 4) Sports Nutrition

5) NCAA Eligibility

At the end of each course, your parent will receive a certificate that needs to be printed and turn into Ms. Crisp or email to rcrip@navajoprep.com. Once the certificate is received with

parent name, the \$20.00 will be waived. Certificates will need to be turned in within the first 2 weeks of the sport program (the earlier the better). If you play 3 sports (\$150.00 Athletic Fee), then your parent can take 3 courses for a total of \$90.00 in Athletic Fee. The \$50.00 Athletic Fee is in the Community Handbook. To be fair with everyone, if an athlete does not pay the Athletic Fee, they will not be able to participate in that sport and will not be able to participate in the next sport until Athletic Fee is paid. There will be a table at pre-season check in if you would like to pay with cash or money order only.

Below is the pre-season schedule. We can't wait to see all the returning faces and all the new faces!!

Let's break records this year, win District, win State, play/run with pride, and be Proud to be an Eagle!!

If you have any questions, please email me (best option) or call (505) 326-6571.

Let's Do Work!
