

PROPER ATTIRE

SNOWBOARDING, DOWNHILL SKIING,
SNOWSHOEING AND CROSS COUNTRY SKIING

- Students are strongly encouraged to not wear cotton clothing.
- Wool or water wicking under layers are preferred.
- Snow Pants and Jackets that are waterproof and breathable would be ideal to wear over under layers.
- Beanies or caps can be worn, as long as they do not excessively interfere with issued helmet.
- Gloves that are waterproof would be beneficial for participants.
- Sunglasses, polarized are best, would help reduce glare from the snow.
- SNOWSHOERS should wear hiking boots that are waterproof and snow gators.
