

NAVAJO PREPARATORY SCHOOL, INC.

Leaders Now And Into the Future “Yideeskáágóó Naat’áanii”

March 12, 2018

Dear Parents and Guardians:

This letter is to inform you of the upcoming plans for Hozho Naasha Week from April 16-April 20, 2018. This year students will choose to stay on campus or take a camping trip to Bowl Canyon/Asaayi Lake. Students who choose to stay on campus will participate in engaging cultural activities throughout the week. The camping trip will begin on the morning of April 17 and students will return to NPS during the late afternoon of April 19, 2018.

While the camping trip is optional, all NPS students are encouraged to participate. Once a student commits to camping, they will be expected to fully participate in the planned activities on the trip.

Since it is very important to determine how many students will be participating on this trip to work out the final arrangements with our tour consultants, please take a minute today to discuss the camping trip with your son or daughter and fill out the permission form below. **Due to limitations in transportation, we will only be able to accommodate the first 100 students to sign-up and pay for the camping trip.**

Please return the lower portion of this form to Ms. DeShanin Yazzie in the Front Office **no later than April 6, 2018.** If you have any questions, please contact our office at (505) 326-6571.

Thank You,
Navajo Preparatory School

Hozho Naasha week is a tradition at Navajo Preparatory School that is a “Classroom Without Walls”. Students will experience Navajo culture and history in the curriculum. *For this reason, we consider this week instructional and all students are expected to be attendance either on campus or on the camping trip.*

Return this part of the form to Ms. DeShanin Yazzie in the Front Office.

Student’s Name

Homeroom Teacher

[] I will go camping.

Parent/Guardian:

By signing this permission form, you are authorizing your child to participate in the camping trip.
