Tryout Information for Volleyball, Cross Country and Golf

- Tryouts: October 5 and 6, 2020.
- Although Navajo Prep prides itself for its "no cut" policy in athletics, this year is different. Due to cap of athletes on JV and Varsity, we are asking only those who have experience in your sport to try out. We encourage those with little experience to use this year to practice and continue to get better in preparation of next season.
- Athletes **MUST** register to tryout. Registration will be emailed to students on September 28th.
- Residential Halls are available for tryouts for athletes who do not live within 30 miles of Navajo Prep. Athletes who live in Farmington, Shiprock, Bloomfield, Aztec will be day students.
- Varsity and JV teams will be selected on October 6. Residential hall will remain open for those who make the team. Those not selected for varsity or JV will be picked up by **October 7th by 8 pm.**
- Temperature checks and health screening will be completed daily before every practice. **HONESTY is HUGE!!** We take temperature checks and answers on the health screening seriously. ***If you are sick, have signs or symptoms of the COVID-19 or been in contact with someone who showed signs or symptoms, PLEASE DO NOT participate.*** We will schedule you another time to try out.
