Centura Health®

Healthy Roster is an electronic medical record keeping system. As with any health care facility, Mercy Sports Medicine (and all of its outreach locations) keep accurate and up to date medical record of all patients' treatments. Healthy Roster will allow parents to see daily treatments and injury status provided by the athletic trainer. Coaches and administration will be able to see participation status (out, released, partial participation, etc.). In order for your athlete to be properly cared for please fill out the ALL of the following and return to the school office:

Athlete Name (first, last): _____

Athlete's Date of Birth: _____

Athlete's Email: _____

Gender: M___F___ Graduation Year _____

Parent/ Guardian Name (first/last): _____

Email: _____

Cell Phone: _____

By signing below I authorized Mercy Sports Medicine to share their athlete's personal health information via Healthy Roster.
