## HISTORY

---

Navajo Preparatory School, Inc. was established in 1991 by the Education Committee of the Navajo Nation Council (Resolution ECMY-33-91) for the purpose of offering a college preparatory program for Native high school students and to produce leaders for the Navajo Nation. Navajo Preparatory School is located in Farmington, New Mexico on an 82.45-acre site formerly the campus of the Navajo Methodist Mission School. The land and property were purchased by the Navajo Nation in 1995 and is now the permanent home of the Navajo Preparatory School under a 99-year lease with the Navajo Nation.

## SCHOOL GOVERNANCE

Bik’ehgo hoot’áál

The school is governed by a four (4) member Board of Trustees in accordance with the Navajo Nation Election Laws, 11 N.N.C., Section 11. Four members of the Board are elected from various chapters of the Navajo Nation based on the reapportionment made by the Education Committee of the Navajo Nation Council. The President of the Student Senate of the Navajo Preparatory School serves as an Ad Hoc member.

The **Board of Trustees** provides leadership for the continual improvement of a college preparatory educational program that is comprehensive, accessible, responsive, relevant, and efficient. This includes the development and implementation of an administrative organizational structure that facilitates the educational process through effective management and leadership. The Board takes leadership for modernizing existing school buildings and construction of new educational facilities that are conducive to student learning and safety.

## MISSION STATEMENT

---

To develop inquisitive, compassionate life-long learners and leaders through a challenging curriculum of international education and assessment.

To promote a strong foundation of Navajo Philosophy and holistic world view that fosters intercultural understanding and respect in a global society.

The mission is reflected in the IB Learner Profile and the School’s motto: Yideeskáágóó Naat’áanii. “Leaders Now and Into the Future.”

Upon its conception, Navajo Preparatory School established its foundation with the school symbols. The symbols represent the school's tradition and growth. These school symbols are used at school-wide activities and in school communications and logos.

The *hooghan nímazí* was dedicated on September 19, 2001. The female Hogan is the first construction of the campus development plans.

*Hooghan (female hogan)*: the *hooghan nímazí* represents the mother and is the center of the academic campus. The female Hogan is the place where all knowledge originates and where wisdom is learned. The female hogan symbolizes an individual's strength, courage and faith.

# ACADEMIC PROGRAM

## PROGRAM OF STUDY

---

### Diploma Pathways:

#### **Navajo Preparatory School Diploma**

Students are required to meet the New Mexico State Public Education Department graduation requirements as a minimum. NPS asks students to complete additional coursework as well as a Senior Atsa Exhibition in order to receive their diploma. The Senior Atsa Exhibition consists of the Senior Atsa Paper, Senior Atsa Project, Portfolio and Senior Exhibition.

In addition to the NPS Diploma, students can choose one of two pathways in the IB Programme: IB Diploma or IB Course Certificate. The choice between the IB Diploma and Certificates is made in the sophomore year. Proper planning of courses from 9th grade on is beneficial for all IB Programme candidates especially those considering the full IB Diploma pathway.

#### **IB Diploma Programme**

The IB Diploma Programme (DP) offers an academically challenging and balanced programme of studies with external assessments that prepares students for success in college and beyond. The IB Programme has gained recognition from the world's leading universities. The Diploma Programme curriculum offers breadth and depth of knowledge in six subject groups, an Extended Essay, Creativity, Activity, Service (CAS) experience, and Theory of Knowledge course. The DP Programme is an extension of the School's mission to develop "Leaders Now and Into the Future" - Yideeskáágóó Naat'áanii. The goal is reflected in the IB Learner Profile, to develop future leaders who are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective.

#### **IB Diploma Programme Admission Requirements**

A student may apply for admission to the IB Diploma Programme in his/her sophomore year. Applications are available from the IB Coordinator and are due in early March of the student's sophomore year. Admission to the full IB Diploma programme includes the following:

1. Student Application
2. Student agreement/Honor Pledge signed by parent/guardian and student
3. Official Transcript from Registrar
4. An Application Essay.

The IB Advisory Committee will review the application for selection. The successful candidate should be in good academic standing with demonstrated characteristics of the IB Learner Profile.

#### **IB Course Certificate Pathway**

All non-IB Diploma Programme students **may** take an IB Course Certificate exam in one subject at the end of their senior year. Students can select their certificate course option with their teachers to determine the best option for a student Course Certificate at the end of the Fall semester of their Junior year. Students complete all internal assessments in their IB courses.

Navajo Preparatory School offers a selection of subject choices within the IB curriculum. This fact, coupled with a wide selection of challenging extracurricular activities offered, contributes to one of the strongest educational experiences available.

| <b>Subject areas by IB Group:</b>  |   |
|--|---|
| <b>Group 1 – English A</b><br>Language and Literature SL/HL              | <b>Group 4 - Experimental Sciences</b><br>Biology HL, Chemistry SL, Environmental Systems & Society SL,<br>Sports, Exercise & Health Science SL |
| <b>Group 2 - Language B</b><br>Spanish Ab Initio SL, Spanish B SL        | <b>Group 5 – Mathematics</b><br>Applications and Interpretations SL, Analysis and Approaches SL   |
| <b>Group 3 - Individuals &amp; Society</b><br>History of the Americas HL | <b>Group 6 – Arts &amp; Electives</b><br>Visual Arts HL, Music SL or a second class from Group 4  |

1. **The IB Diploma** - to earn the IB Diploma, a student must successfully complete:
  - a. At least one course and an IB examination in each of the six subject area groups listed. To allow for specialization, normally three subjects (but not more than four) are chosen at Higher Level (HL), and to ensure a broad education, three subjects are chosen at Standard Level (SL).

Higher Level subjects require intensive, in-depth study over two years. These generally reflect a student's areas of interest and academic strength. Standard Level subjects are less demanding, but are still on par with introductory level college courses.

Both levels of study lead to external exams, which students must pass to receive the diploma. In addition to the external exams, students are to complete internal assessments which are evaluated as a portion of their regular course work (for example, lab books, essays, portfolios, projects, etc.) completed in each class. These internal assessments are marked by teachers and then externally moderated by the IB.

- b. Theory of Knowledge (TOK) Course
- c. An Extended Essay of 3,500- 4,000 words on a topic of choice
- d. Creativity, Activity, and Service (CAS)

*(More specific details regarding the IB Diploma Programme is available within the IB Handbook)*

2. **IB Course Certificate** - Any student may register in one or more IB Course Exams (up to 4) and earn an IB Course Certificate in each course. ## **College Preparation Expectations**

*Da' Óta'i, wódah ólta' yiniiyé hasht'e' á da' dílnééh*

Students undergo an educational process that prepares them for admission to and successful completion of a college education. Experience has shown that the expectations for a competitive and successful college prep student, at the time of graduation, are a minimum cumulative GPA of 3.0, a high school resume that reflects strong leadership, service-learning project and extra-curricular participation. These expectations should frame the personal goals of all students and their parent/guardian(s). For this reason, the minimum standards for graduation are higher than those found in traditional high schools.

## **Junior and Senior Seminar**

In the spring semester of their Junior year, non-IB DP students will be required to take the Junior Seminar course that assists students with SAT/ACT test prep, College guidance, the Atsa Paper, and preparation for the Atsa Senior Project.

In the fall semester of their Senior year, non-IB DP students will be required to take the Senior Seminar course. This course will guide seniors into the completion of the Atsa Paper and continued work on other Atsa Exhibition requirements. A major focus will be in preparing senior students for college.

## **Graduation Requirements**

*Bik'ehgo Ni'iiltááhi*

Students are required to meet the 28-credit requirement (with a minimum 2.0 overall cumulative GPA) in order to graduate and to participate in graduation activities. In addition, seniors must successfully complete all four components of the Senior Atsa Exhibition. The school reserves the right to place appropriate conditions for participation in commencement exercises should the student jeopardize her/his good academic standing.

The Senior Atsá Exhibition is a graduation requirement. The purpose of the exhibition is to develop responsible global citizens and leaders through excellence and inquiry. It is a two-year study that provides seniors with an opportunity to focus on a topic and project that they are passionate about. There are four required components of the Senior Atsá Exhibition Project:

1. Extended Essay:
  - a. IB Diploma Programme Students- an argumentative research paper with a concentration in a particular content area consisting of 3,500-4,000 words; *(more details in IB Handbook)*
  - b. Non-DP Students- an argumentative research paper written in conjunction with the Senior Project: minimum 2,000-3,000 words
2. Senior Project:
  - a. IB Diploma Programme Students- Creativity, Activity and Service (CAS) is an experiential learning process. It includes a sustained, collaborative project that is measured against the IB Learner Outcomes and will be presented at the Senior Exhibition in the Spring. *(more details in IB Handbook)*
  - b. Non-DP Students- is a long-term project beginning in the Spring of the Junior year with a community-minded focus utilizing areas of Creativity, Activity or Service. The project takes place concurrently with the Extended Essay research, planning and writing. The project will be presented at the Senior Exhibition in the Spring.
3. Digital Portfolio: is a compilation of the student's work to showcase high school works and demonstrate college readiness maintained within a school-approved platform; and
4. Senior Exhibition: is an oral presentation where Seniors will present their extended essay/Senior Atsa paper and present their paper and project to a panel of judges and community stakeholders.

*Further information on IB Diploma Programme requirements are detailed in the IB DP Handbook available from the IB Coordinator.*

**Seniors who are not on track in meeting their Atsa graduation requirements by end of fall semester will be placed on Scholastic Action.**

## GRADUATION HONORS

### **Valedictorian, Salutatorian & Honor Graduates (Top 10)**

Selection of Valedictorian, Salutatorian and Honor Graduates will be based on the following criteria and weighted percentage and will be determined in the following order

1. Cumulative Grade Point Average – 50%
2. ACT and/or SAT scores – 25%
3. IB Diploma Candidate **or** Dual Credit Student (min. 7 courses) – 15%
4. Attendance at Navajo Prep for four years – 10%

Example:

GPA= #1- 100 points, #2- 90 points, #3- 80 points, etc.

ACT= #1- 100 points, #2- 90 points, #3- 80 points, etc.

IB Diploma Candidate **or** Dual Credit Student (min. passing 7 courses) = 100 points

Attendance at NPS for four years= 100 points

Total number of points multiplied by the assigned weights= Valedictorian, Salutatorian and Honor Graduates

## TRANSFER STUDENTS

Nááná Lاهدéé Ółta'í Navajo Preparatory School jí' Atah Yígháago

The School accepts a limited number of transfer students each year up to the fall semester of their junior year. Transfer students are subject to the same 28 credit graduation requirement and Atsá Exhibition. Transfer students will be accepted, when space allows, up to three weeks after the start of the semester.

# ASSESSMENT & EVALUATION

Student will be awarded letter grades of A, B, C, D, and F. Grade point average will be calculated as prescribed on table below.

## Assessment Policy

The purpose of assessment and evaluation is to improve students' mastery of concepts and ideas towards becoming lifelong learners. Formative assessments will be used to gauge the students' progress and growth throughout each unit. Summative assessments will be used at the end of the unit to provide clear feedback of the depths of students' knowledge in the course. IB rubrics relating specifically to the course content in IB courses will be utilized to assess students' achievement. A variety of assessments evaluation strategies will be used to demonstrate the full range of the student's learning.

## Purpose of Assessment

Navajo Preparatory School assesses students in order to:

- Enhance student learning;
- Continually monitor and evaluate student progress towards meeting course benchmarks and IB Diploma Program standards;
- Provide feedback to students, parent/guardian(s) and other stakeholders;
- Gather evidence to support teacher reflection on the effectiveness of their teaching;
- Analyze curriculum assessment data to inform teaching and learning; and
- Develop short and long-term achievement goals for NPS.

## Principles of Assessment

Navajo Preparatory School administration and academic staff recognize that assessment plays a crucial role in the cycle of planning, teaching, assessing, reporting, and reflecting for all stakeholders.

The principles of effective assessment for all stakeholders will demonstrate the following:

- A broad range of conceptual understanding and skills;
- Critical thinking abilities;
- A variety of learning styles and intelligences;
- Participation in self-assessment;
- Self-reflection on strengths and areas for improvement;
- Goal setting for learning;
- Assessments to inform and improve instruction;
- A variety of assessments;
- Analysis of data to identify patterns in student performance and needs;

- Timely and clear feedback that is constructive towards future learning; and
- Maintenance and communication of detailed assessment records.

### **Assessment Practices**

Equity in assessment is afforded through fair, meaningful, and consistent opportunities for students to demonstrate their mastery of concepts and skills. Assessments are checked for validity, reliability, and comprehensiveness and include psychometric, essay, and performance tasks across the curriculum.

A wide range of formative and summative assessments includes: multiple-choice style quizzes and tests, short and extended responses, essays, research papers, projects, portfolios, class discussions, group and individual oral presentations, individual oral commentaries, multimedia presentations, skits and performances, problem solving teams, group critiques, historical investigations, experimental investigations, sketchbooks, investigation workbooks, studio work, fieldwork, response journals, and reflection logs.

An accurate measure of the student's true achievement is continuously sought to inform teaching and learning. Differentiation occurs when necessary for students to demonstrate their understanding. Multiple intelligences are applied to formative assessments to foster critical and creative thinking. Emphasis on higher-order cognitive skills supports inquiry-based, constructivist learning.

Ongoing class discussions and private conferences take place throughout each course. Peer and self-assessments help students to develop a range of effective strategies as they actively build their understanding of new concepts and learn how to judge the quality of coursework against well-defined criteria.

## **GRADE REPORTS**

Naaltsoos ólta'í íhool'a'ígíí yaa halne'go nihich'í' anídaal'ííh

Academic progress reports are issued to students and their advisors. They are mailed to parents/guardians twice per semester at 9 week intervals. Students do not receive credit for courses that are not completed and for \*excessive absences (See Attendance/Absences) that have not been successfully petitioned. Final letter grades and cumulative GPA appear on official transcripts.

## **DEAN'S LIST & HONOR ROLL**

Students who maintain a 3.75 and above semester GPA with no letter grade lower than a "B" will earn a place on the Dean's List. Students maintaining a 3.30 and above semester GPA with no grade lower than a "C+" will qualify for the Honor Roll. Eligible students must carry a full course load of four (4) credits per semester to include dual-credit college and IB Diploma coursework.

## **ADVISORY**

Advisory is offered 5 days a week as a 30-minute advisory period for all students. Students are grouped based upon grade level and assigned to a Staff Advisor for the duration of their time at Navajo Preparatory School.

Advisory is an opportunity to build positive relationships among a small peer group and to participate in constructive activities, such as peer tutoring, peer mediation and mentorship.

# ACADEMIC GUIDELINES

## ATTENDANCE

Ólta'di hojiloogo Bee Haz'áanii

Students have the responsibility to attend classes on a regular basis. Attendance is required for the following:

1. All scheduled classes
2. All scheduled study halls
3. All scheduled advisory meetings/homeroom
4. All school approved assemblies
5. All school approved field trips
6. All scheduled class meetings.
7. All other required activities approved by the Dean of Instruction.

### **Absences**

Biniinaani Hojiloogo Olta'Jisihgo

When a student returns to school after an absence, a note of explanation must be signed by a parent/guardian or a doctor and submitted to the Attendance Clerk within 3 days of returning to campus. Fax and E-mails will be acceptable only when accompanied by telephone confirmation. Telephone calls do not pre-empt the "note of explanation." If a note is not provided when the student returns, the absence will automatically be considered unexcused. No makeup work is allowed for an unexcused absence.

### **Excused Absences**

Students are responsible for obtaining an Admit Slip from the Attendance Clerk or Front Desk Receptionist. Students will have all teachers sign the Admit Slip and then return it to the Front Desk Receptionist.

Absences will be considered excused for the following reasons:

- Illness and medical appointments: a doctor's note is required to excuse absences for three consecutive days or more. For medical appointments, a doctor's note is required. The school will accept a note from parent/guardian(s) if the student is ill for one or two days;
- Bereavement or serious family illness;
- School sponsored activities and athletics;
- Traditional Ceremony;
- Immediate family member emergency with explanation;
- College visitations will only be excused with appropriate documentation from the college; and
- Any absence not listed is unexcused unless approved by the Dean of Instruction.

### **Unexcused Absences**

Students with an unexcused class absence will not be allowed to make up missed work. Students serving suspension will receive an Unexcused Absence and will not receive credit for work assigned during the suspension. All absences without proper documentation are considered unexcused until proper documentation is provided to the Attendance Clerk. It is the parents'/guardians' responsibility to personally contact the school regarding absences.

### **Cumulative Absences**

Excessive absences will negatively impact a student's grades. *Excessive absences* mean a student has accumulated seven or more cumulative unexcused absences in a semester. Parent/guardian contact will be made by the Attendance Clerk after the third day of a student's absence.

Attendance warning notices for cumulative absences are mailed home after (4) days of unexcused absences. When a student accumulates (7) unexcused absences during a semester, the school will notify the student's parent or guardian via a formal letter. A meeting with the parent/guardian(s) may also be scheduled. The meeting may include, but is not limited to, the parent/guardian, student, attendance clerk, and/or Administration.

A student with excessive unexcused absences will not receive credit for the course(s). Students are placed on 'no credit' status. The student may be required to repeat the course to meet the school's graduation requirement. Students with excessive unexcused absences, will be required to write an appeal letter submitted to the Attendance Committee.

### **Attendance Committee**

The Dean of Instruction, Attendance Committee and 504 members, if needed, will hear petitions from students who wish to appeal excessive absences. Students who have been referred to the Attendance Committee must appear before the committee with their parent/guardian. The Attendance Committee can determine release of credits, partial loss of grades, required interventions or other measures.

### **Consecutive Absences**

Ólta'í Nízaadgóó ÍNeeznááigóóÓ Ólta' yitsádinidleehego

Students who compile ten (10) consecutive unexcused absences will automatically be dismissed from Navajo Preparatory School in accordance with the State of New Mexico Compulsory Attendance Law and state BIE Regulations.

### **Tardy Policy**

Ólta'í Ólta' Góne' Akéadi Yah Iigháahgo

Tardiness is defined as a student being late after the scheduled starting time of any class, activity, or appointment. A student who is late for any reason must receive an admit slip from the Front Office to enter class. After three (3) unexcused tardies in one class per grading quarter, parents or guardian will be notified by the teacher or other school official. Subsequent unexcused tardies will result in an unexcused absence. Processes for unexcused absence procedures will follow. Students arriving after the first 10 minutes of a class will be considered absent.

## **Student, Parent and Guardian Role for Absences and Tardies**

---

If a student will be absent from school, the parent or guardian must call the appropriate attendance clerk before 8:30 a.m. on the day of the absence at 505-326-6571, ext. 122.

Extended traditional ceremonies for the student will require prior written notification from parents/guardian/medicine man. Notification shall include date(s) of ceremony.

Travel with family or friends for vacations that do not fall during the set vacation period on the school calendar is considered unexcused.

If a student has been absent, he/she is responsible for requesting and completing make-up work in each class missed. If the absence was excused, the student has two class days for each day absent to make up new assignments. Previously assigned work (for which the deadline was missed due to absence) is due on the day the student returns. Ex.- Student has an excused absence for class on Monday. Student will obtain missed assignments on Wednesday and the work is due on Friday.

If a student will be absent for three days or more, the Dean of Instruction should be notified, and a homework request should be made through the Academic Counselor.

During the final examination period, a student with an *unexcused absence* will not be allowed to make up the test or portfolio presentation unless approved by the Dean of Instruction.

# INTEGRITY

---

## Academic Honesty

Students are encouraged to live a life based on honesty and integrity, by knowing who they are and what values they represent. Honesty and truthfulness are virtues, and students must police themselves on a daily basis. It is expected that students practice authentic authorship and respect others' intellectual property. Having personal integrity is an important leadership quality for "Leaders Now and Into the Future – "Yideeskáágóó Naat'áanii".

## Cheating

Cheating is misleading an instructor in some way so as to receive or attempt to receive credit for work not originated by the student or work performed with unauthorized assistance. Cheating includes, but is not limited to:

- Copying from another student's examination, assignment or other coursework with or without his/her permission.
- Unauthorized "cheat sheets," notations on desk, clothing, self, or personal technology devices (such as graphic calculators or data organizers) as "electronic cheat sheets".
- Using technology inappropriately to complete coursework or examinations.
- Resubmitting substantially the same work that was produced for another assignment or course without authorization.

## Plagiarism

Plagiarism is the use of passages, materials, works or ideas that come from someone or something else, without properly naming the source. Plagiarism can be avoided by utilizing academic research formats such as: American Psychological Association (APA) or Modern Language Association (MLA). Examples include, but are not limited to:

- Copying someone's assignment (partial or whole)
- Copying test or other materials from the Internet or other source without citing them.
- Paraphrasing items from a book or article without citing them.
- Using translation software to translate sentences or passages.
- Using the same sentence structure or thesis as another source without citing it.

## Consequences

Minor infractions of the academic honesty policy will have consequences determined by the teacher. Consequences may include but are not limited to any combination of 1 through 6 below:

1. Redo the assignment/exam
2. Reduced grade for the assignment/exam
3. Zero for the assignment/exam
4. Letter of Apology
5. Student explains offense to parent/guardian
6. Teacher contacts parent/guardian

***Three (3) minor infractions become a major violation of academic honesty and will be addressed by a Discipline Committee.***

# HOMEWORK EXPECTATIONS

Homework is a necessary extension of the school day and an important part of a student's educational experience to build responsibility, self-discipline and lifelong learning habits. Homework provides students with the opportunity to apply information they have learned, as well as complete unfinished class assignments, projects, research papers, presentations, quizzes or other tasks.

Students are expected to complete all assignments by the designated due date. *Teachers may reserve the right to deny any late work.* If late work is accepted, it must be submitted within three class periods of the deadline and will receive a percentage off the original grade for each class period it is late. Late work will not be accepted after three class meetings. Students are encouraged to submit assignments before deadlines.

## SCHOLASTIC ACTION

### Academic Learning Circles

Ólta'í Akéédéé' Dítłishgo  
Ólta'í Hodéázyéelgo Óhooł' aahgo

Students are expected to attend Learning Circles regularly throughout the school year, as needed. The Learning Circle program is required for students with a 2.30 GPA and below. The Student Success Coach must be informed of any absences and prearranged appointments in writing by the parent or guardian, or NPS staff member. This will excuse the student from required Learning Circles.

Learning Circles may be assigned according to the student's academic performance throughout each quarter. **Students with GPAs below 2.30, students on academic probation or with Priority status are assigned to a specific location and time for Learning Circles depending on their needs and are required to attend regularly.**

### Academic Priority

Akéédéé' nijidizlį' go

The Academic Priority Program is for students who need intensive support to improve their academic standing. **A student with a 2.0 GPA and lower or an "F" in any course** at the end of the semester will be placed in the Academic Priority Program. Parent/Guardians will be informed by e-mail and contacted by phone regarding their student's academic status. Academic Priority students are subject to the Three Levels of Scholastic Action.

The Priority student along with their parent/guardian must have a conference with the Academic Counselor, Student Success Coach, and the Dean of Instruction to be placed on a required Academic Probation Contract.

Students in the Priority Program will be monitored by the Student Success Coach and additional tutoring services and residential study hall may be required. Parents or Guardians of a Priority student are discouraged from checking out their student during Learning Circle hours to promote a cooperative learning environment. A commuter (day) student in Learning Circles may ride the afterschool bus at normal departure times. Residential Students have an 8:00 p.m. curfew for the remainder of the 9-week grading period.

## Three Levels of Scholastic Action

When a student falls short of expected academic standards, including Senior Atsa Exhibition, the Academic Review Committee meets to make a recommendation for scholastic action. The recommendation, once voted on, becomes the action of the faculty and results in scholastic action: a formal expression of the school's concern to both students and parent/guardian(s).

Scholastic action is not punitive. Rather, it alerts students, parent/guardian(s) and advisers to the seriousness of those difficulties. It is hoped that this official warning will encourage students in academic difficulty to improve their study habits or seek help from available sources on the campus. There are four levels of scholastic action:

(1) **Scholastic Warning** is usually the first stage of formal action. Often the attention paid at that level is sufficient for students to improve their academic record. The Student Success Coach, in conjunction with varying staff, will create a plan with the student to address the student's academic needs and concerns. This plan may include weekly grade checks, tutoring sessions, Learning Circles, planner checks, extra study hall time, and any other necessary meetings with students. Failure to adhere to the personal plan will result in appropriate action with the Dean of Instruction.

(2) **Scholastic Probation** follows Scholastic Warning when the level of academic concern has not been addressed or met by the student and/or the situation has significantly worsened. This level of scholastic action indicates that the student's status with NPS may be in jeopardy. The Student Success Coach will send notification of Scholastic Probation to parents/guardians at the end of each semester. The student, parent/guardian, Academic Counselor, Student Success Coach, and Dean of Instruction will complete a Scholastic Probation Contract designed to improve academic performance. A student is removed from Scholastic Probation once good standing is achieved at the end of the semester.

For a senior who is not on track to meet Atsa Exhibition graduation requirements, the IB Coordinator will contact the parent/guardian and the student will be placed on Senior Atsa Exhibition Contract for Completion.

All students who have been on Scholastic Probation at any time in the school year will have their academic performance reviewed at the end of each semester. **The Academic Review Committee will make recommendations to the Dean of Instruction in regard to academic dismissal/withdraw. The final decision cannot be appealed. Parent/Guardian(s) of students on review are expected to attend the committee meeting.**

(3) **Requirement to Withdraw** occurs when a student's academic performance does not match the academic demands of the institution, when there is a generally unsatisfactory academic record, when there is a continued willful neglect of work or when there is no likelihood that the student will be able to meet the graduation requirements.

## DRESS EXPECTATIONS

Ółta'í Hadít'ée

Students are expected to “**Dress for Success**” in representing the school, their families and respected community in a professional and courteous manner. Students are expected to maintain the type of appearance that is not distracting to the educational process and community. In alignment to our mission statement, Traditional Native attire is greatly encouraged.

Regular class dress, as addressed below, is to be worn during the academic day beginning at breakfast and continuing through the last period of the day. Students should wear neat, clean and comfortable clothing appropriate to their age, the school setting and the weather. Students should maintain class dress throughout the academic day, regardless of their individual schedules.

### **Class Dress**

**Bottoms:** Students can wear pants, jeans, shorts, a skirt or a dress. Shorts, skirts, and dresses must be appropriate in length for a professional environment. Shorts, skirts, and dresses should not be shorter than two inches below fingertips. Leggings, tights, yoga pants, etc., may only be worn under a dress, skirt and shorts.

**Tops:** Students may wear a collared shirt, with the collar visible at all times, a button-down shirt that must be buttoned or a t-shirt or sweater that does not contain any graphics, words or letters. Students may wear blouses, cardigans and dress shirts that do not expose cleavage. Navajo Prep T-shirts or sweatshirts may be worn Monday-Friday.

Spaghetti straps, strapless tops, muscle shirts and tank tops are not allowed; these include backless shirts and other tops that have less than "three fingers width" of coverage on the shoulders. Students should wear an appropriate top that covers undergarments and midriffs. Tank tops may not be worn as a top layer.

**Athletic Wear:** T-shirts, sweatpants, athletic shorts etc., may not be worn during academic day unless they are required for a specific activity. Also, Student Athletes participating in various NPS sports may wear their athletic uniform top on game days.

**Footwear:** May be of any style, including dress shoes, western boots, athletic shoes, leather sandals and moccasins. House slippers or flip-flops are not permitted during academic hours. Footwear must be worn at all times on campus. No clothing or footwear may be worn that could threaten the safety or health of the wearer or other students (e.g, shoes with wheels in the soles, or excessively high heeled or platform shoes).

**Hair and Headwear:** Extreme hair colors such as fluorescent, bold or distracting colors in natural hair or wigs, including extensions, are not allowed. Hairstyles that fall in front of face must be above the eyebrows. School administration has final authority over determining the appropriateness of hairstyles.

Ólta’ í yiká’ a nidaalwo’í

The Academic Counseling department assists students in planning a successful academic experience. The services provided include the development of a four-year academic plan, course selection, assistance in overcoming difficulties during the high school career, and guidance toward enriching post-secondary opportunities.

Multiple testing assessments are required to measure achievement. These included the NM State Standards Exams, NWEA, ACT, PSAT and SAT for selected students. The test results are made available through the academic counselor to school administrators, faculty, and parent(s)/guardian(s) and students. Multiple testing assessments are required to measure achievement.

The college counseling process begins during the freshman year. In addition to taking national exams each fall, all underclassmen are exposed to a range of possible post-secondary schools and seminars for all grades. There is an expectation to attend ACT/SAT prep classes throughout the school year to prepare for college entrance exams. The senior year activities include attending college fairs, meeting with college representatives, selecting a college, and completing applications for college admission, financial aid, and scholarships.

# MCKENZIE SCHOOL BASED HEALTH CENTER

McKenzie Olt'á bił hazaaaji bee azee' alí

*"Promoting Health for Academic Excellence"*

---

The goal of the McKenzie School Based Health Center (SBHC) is to promote the overall health of students so they can benefit fully from their Navajo Prep experience. Located in the Betty Ojaye Student Center, the SBHC provides primary care and mental health services. The SBHC also offers a variety physical and mental health education programs. All students attending Navajo Prep are eligible and encouraged to utilize the School-Based Health Center services. A parental consent must be signed to allow a student to utilize these valuable and convenient services.

By enrolling in the McKenzie SBHC, students will have access to the following primary care services offered on campus:

- *sports physicals*
- *illness care*
- *prescription medications*
- *referrals to other providers*
- *diabetes prevention & management*
- *injury care*
- *nutrition counseling*
- *immunizations*
- *laboratory tests*
- *mental health counseling*

If a student already has a medical provider, the SBHC will work with the provider to ensure continuity of care.

Most health services are provided through Shiprock Area Indian Health Service. No student will be turned away due to lack of health insurance or inability to pay. However, private health insurance may be billed for health services.

The SBHC also sponsors a variety of health education and wellness promotion opportunities for students throughout the school year.

## **Professional Staff**

A *Board-Certified Pediatrician* who also serves as the primary physician. The Board-Certified Pediatrician is available for services on weekly scheduled office hours.

A *Health Assistant* who works closely with the school nurse and board-certified pediatrician to meet the health care needs of our students.

A *Registered School Nurse* who staffs the Health and Wellness Center throughout the academic day. The School Nurse is available to support the basic health needs of students, including minor illnesses and injuries, chronic illness, monitoring, etc. The School Nurse may refer a student to the emergency room, urgent care clinic or to a physician at the McKenzie SBHC as needed.

A *Student Support Specialist* who provides support and teaches the lifelong value of health and wellness.

## **Medications**

Óhta'i azee' choyol'iigo

In order to ensure health and safety, ***students are discouraged from bringing their own supply of over-the-counter medications to school.*** Over-the-counter medications including acetaminophen (Tylenol), ibuprofen, antacids, cough drops, and bismuth (Pepto-Bismol) are available to students after assessment by the School Nurse or Health Assistant. If the School Nurse or the Health Assistant is not available, a Residential Advisor or another trained school staff member will have a limited stock of over-the-counter medications that may be dispensed at the staff member's discretion. All medications that are dispensed to students are documented for review by the School Nurse to assure safety. The Health Assistant, Residential Advisors, and select NPS staff are trained annually in safe administration of medications to students.

According to the Supervised Self-Administration of Over-the-Counter & Prescription Medications Policy, ***students must check-in all over-the-counter, prescription, and traditional medicines or herbs. All medications that are checked-in must be accompanied by a note from the health provider or parent/guardian stating the purpose of the medicine.***

Medication not properly checked in will be confiscated until parent/guardians are contacted and proper check-in procedures are followed.

Day students should check-in their medication directly with the School Nurse. For residential students, if the student arrives on campus in the evening, the student may check the medication in with the Residential Advisor. In the morning, the Residential Advisor on duty will check-in the medication with the School Nurse on behalf of the student. The School Nurse will generate a prescription medication administration log. Then she will return the medication, log, and information about the medication to the student's Residential Advisor for safe-guarding and administration to the student.

Medications which students are permitted to have in their possession after proper check-in include: traditional medicines or herbs, asthma inhalers, epinephrine injectors, oral contraceptives, prescription creams, and vitamins. Other exceptions may be made for students if an

agreement is made in writing between the parent/guardian(s), the student, and the School Nurse. In such instances, the student will self-administer medication, document each time the medication is taken, and submit this log to the School Nurse to monitor compliance and safety. *The same check-in procedures must be followed for all medications.*

*Students & their parent/guardian(s) are responsible for maintaining an adequate supply of prescription medication.*

All students taking medication for chronic conditions will have an individualized health plan compiled by the School Nurse. This care plan will provide guidance for monitoring the student's health status and medication effectiveness.

**Locations and Operations**

The School Based Health Center (SBHC) is located in the BOSC building. Health Services are available to students by a registered nurse. Doctor appointments can be made on a weekly schedule during the school day.

**Confidential Services for Minors**

In accordance with NM State Law, students age 14 years and older may receive confidential health services (listed below) without the knowledge or explicit consent of their parent/guardian(s), provided that they sign an Informed Consent for Confidential Services form. These services include:

- *abstinence-based family planning education*
- *sexually transmitted infection testing & treatment*
- *crisis intervention*
- *contraceptives*
- *mental health counseling (individual and groups)*
- *alcohol & substance abuse counseling*

To ensure the safety, the NM law states that a student's confidentiality may be breached only in case of one of the following situations:

- The student poses a threat to him/herself or others (this is reported to the parent/guardian(s)).
- The counselor or other health provider determines that psychoactive medications are indicated (this is reported to the parent/guardian(s))
- Suspicion of child abuse and/or neglect (this is reported to Child Protective Services)
- During the medical visit or counseling session, an untreated potentially life-threatening medical condition is revealed (this is reported to the parent/guardian(s))

**Urgent/Emergent Health Referrals**

For more severe medical incidents, referrals may be made to San Juan Regional Medical Center or a local urgent care clinic at the discretion of the School Nurse or by another NPS staff member if the School Nurse is not available. The signed Emergency Medical Authorization form serves as parental consent for health care in the event of an urgent or emergent situation. Attempts to contact the parent/legal guardian will be made to notify them of the situation. Whenever possible, the parent/guardian should transport the student to ER or urgent care of their choice. If the parent/guardian is not able to pick up the student in a reasonable amount of time, NPS staff will transport the student to the nearest emergency room or urgent care clinic. NPS staff will not transport to an Indian Health Services (IHS) clinic unless it is the closest facility. For this reason, it is strongly recommended that all students have health insurance. The parent/guardian is financially responsible for all fees incurred from such visits.

Navajo Preparatory School also complies with the State of New Mexico Concussion Law (page 24). *The NPS Concussion Policy is available at the SBHC.*

**Routine Health Appointments**

Parents/Guardians are responsible to transport students to routine health appointments, including dentist, orthodontist, physical therapy, etc. *The school does not provide transportation to routine appointments.* It is the parents'/guardians' responsibility to inform the School Nurse about visits to other health providers if follow-up and monitoring is needed at the school.

### **Counseling & Mental Health Referral**

If a member of the NPS staff suspects that a student is in need of individualized care, the concerned individual may seek assistance for the student through the School-Based Health Center by completing an internal referral form, either for medical or behavioral health. Students will need to have a SBHC parental consent form on file in order for the student to receive these services. The exceptions would be confidential services for minors in New Mexico and disciplinary referrals. Verbal consent may be attained with two witnesses. Students referred to the programs are strongly encouraged to participate in activities and sessions as deemed necessary by the counselor. All persons making referrals will be notified that the referral was received, and appointments kept. Confidentiality is maintained to protect the student and only necessary information is shared with the faculty/staff, in order to provide quality and continuous care.

### **BIT Report and BIT Team**

Behavioral Intervention Team (BIT) Report button will be located on the NPS website. This button can be used by any individual affiliated with NPS. This reporting is if you encounter a person of concern whose behavior interferes with academic instruction and/or is perceived as a safety concern to students, staff, or property.

The BIT Team has been created to provide caring, preventive, early intervention with individuals whose behaviors are disruptive or concerning. The BIT Team is an interdisciplinary committee of Navajo Prep professional staff who meet weekly and as needed.

Beesh łichii íí nítse keesígíí ch'óó íígi bi beehazáanii holó

*(Internet/Intranet – Terms and Conditions of Use)*

### Educational Purposes

NPS is an Apple environment using Microsoft 365 products. The primary use of the School's Computer Technology and Internet/Intranet services is to support educational and research endeavors consistent with the educational objectives of Navajo Preparatory School.

### Network Drives

- Due to possible virus transmittal to the network, students/staff are not allowed to store executable files on their network or OneDrive.
- Students are not allowed to store files (media/music, video, graphic, text, encrypted, etc.) that are obscene or violent in nature.
- Student files are secure and cannot be accessed by other users as long as the account is properly used. Note, however, that the Network Administrator has complete access to network files and reserve the right to check these files to ensure that the School's Acceptable Usage Policy is adhered to.

### Internet and Email

- Visiting internet web sites that contain obscene, threatening, or vulgar material (such as pornography or profanity) is strictly prohibited. If a site of the above nature is accidentally visited, you must promptly exit and notify a staff member who will notify the Network Administrator. The School does not allow access to social networking forums on school-issued devices for students
- Transmission of any material in violation of any national or state regulation is prohibited. This includes, but is not limited to: copyrighted material (for which you do not own the copyright), threatening or obscene material, or material protected by trade secret.
- Users must be aware that an e-mail account is a privilege, not a right. The Network Administrator may close an account at any time for administrative reasons.
- The use of someone else's e-mail account is strictly forbidden and may result in the loss of e-mail privileges for one or both parties.
- Network Etiquette—Students are expected to abide by the generally accepted rules of network etiquette:
  1. Be polite. Never use abusive language in messages to others.
  2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language or graphics.
  3. Note that electronic mail (e-mail) IS NOT GUARANTEED TO BE PRIVATE. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities. Illegal activities are strictly forbidden. A rule of thumb: Do not write anything you would not want to see printed in the daily newspaper.
  4. Do not forward e-mail with malicious intent.
  5. Do not use the network in such a way that you would disrupt the use of the network by other users.
  6. Do not engage in "flaming," "spamming," or "chain letters."

### Wireless Communication Devices

Nítch' ih bee hane'í

The use and possession of cell phones and electronic devices will require a signed parental consent form. In order to respect the important work of the classroom and the teaching and learning environment, the following policy will apply during academic hours (7:55 am – 3:35 pm):

- Cell phones/electronic devices can be used in between classes and during lunch.
- Cell phones/electronic devices **must be turned OFF** when entering any classroom, office, library, study hall or mandatory after-school activity with the exception of an extreme emergency.
- Once inside any of the above-named locations, **cell phones and devices must not be visible under any circumstances** – even though they are OFF.
- Teachers will set expectations and monitor usage accordingly.
- If a cell phone, electronic device rings, vibrates, is used for any reason or is visible anytime during class time, the item will be confiscated.
- Refusal to surrender your phone when asked is defiance and can result in disciplinary action.

Personal laptops are not allowed on campus. Walkie-talkies are not permitted on campus.

## **Privileges**

- The use of the Internet, and Intranet, and the use of all wireless communication devices is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The Dean of Instruction, in consultation with the Network Administrator, will deem what is inappropriate use and their decision is final. The administration, faculty, and staff of Navajo Preparatory School may request the Network Administrator to deny, revoke, or suspend specific user accounts. This request will be forwarded to the Dean of Instruction, who will make a final decision on whether or not to act upon this request.
- Misuse of an Internet/Intranet account, email, or any wireless communication device could result in the loss of privileges. Since the loss of these privileges could affect a student's grade, it is important that students realize that, upon signing this Acceptable Usage Policy, they are taking the full responsibility of correct and responsible usage.
- Allowing an individual who has lost their network privileges to use your account is forbidden and may result in the termination of your network privileges.

## **Security**

Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet/Intranet or that your account has been compromised, you must notify the Network Administrator verbally and followed by a written statement. Do not demonstrate the problem to other users. Attempts to logon to the network as a network supervisor or system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied network privileges.

## **Internet/Intranet Abuse and Vandalism**

Internet/Intranet Abuse and Vandalism will result in cancellation of privileges and disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, Internet, Intranet, or any of the above listed agencies or other networks that are connected to any of the Internet backbones. This includes, but is not limited to, the uploading or creation of computer viruses.

## **Disclaimer**

And you do not know how someone requesting personal information from you (in a survey, opinion poll, personal e-mail, etc.) may use it.

### SPECIAL EDUCATION SERVICES/CHILD FIND

Alchini bánahóntł'ágo óhołáá ígíí ha'nit'á

Child Find is conducted to identify current and potential students who might qualify for Special Education services. Students who are having academic, social or behavioral difficulties are provided interventions in the regular classrooms prior to referral for Special Education placement. Applicants with IEP's are given fair consideration within the admission policies of Navajo Preparatory School.

A coordinated effort is set up between the Academic Counselor, teachers, Dean of Instruction and school nurse to locate, identify, and evaluate children ages 14 through 19 who may be in need of special education services. Modifications and instructional interventions are made in the general education classroom before a child is referred to an evaluation team.

The Special Education program is governed by Federal guidelines, specifically those of the Individuals with Disabilities Education Act (IDEA).

A Special Education Coordinator oversees the services of students placed in the program. The school contracts with independent providers to ensure that evaluations are completed and related services are in place. Tutoring services are arranged for students.

A Study Skills class may be provided for additional support with the expectation that all students will graduate on a Standard Diploma. This is the only scheduled Special Education class. Teachers have access to a student's IEP through NASIS and work closely with the Special Education Coordinator in implementing accommodations. Parent/guardian(s) are encouraged to be involved in their child's education and the Special Education Coordinator is in regular contract to inform them of issues that might help or hinder student progress. Multi-Disciplinary Team (MDT) meetings are arranged to accommodate parent/guardian(s).

## PHILOSOPHY

Nida'anééji Bin'dii'a'

**Student athletes must acknowledge that academics always take priority over athletics.** Participation in athletics is a privilege, not a right. Athletes must earn this privilege through dedication, desire, discipline, and passing grades. Without the pursuit of these, athletes can in no way do justice to themselves or the school. Student athletes are self-disciplined to be good citizens and students. In order to achieve athletic excellence, athletes must be involved in practicing good sportsmanship and playing fairly. A proud tradition of winning is maintained upon these principles. Weekly athletic practices will begin no earlier than 4:30pm to allow for all students to attend Learning Circles and/or Freshman Academy.

The following athletic policies must be understood and agreed upon between the school, student athlete, and parent/guardian(s).

## ATHLETIC GUIDELINES

Nida'anééjibibee haz áanii

### Academic Eligibility Requirements

T'áá Háishíí Jool Bee Nideeshneel Nízingo Éí Bi'ólta' Hazhó'ó Iip'íigoBee Báá Áhóóti'

Eligibility will be determined by the following: A student shall have a 2.3 grade point average with no F's, based on a 4.3 grading scale, each semester immediately preceding participation. Grades earned during a summer session must be placed on a student's transcript by the school registrar prior to the first day of the Fall semester in order for the course to be utilized for eligibility purposes. For students not eligible at the semester, the next nine-week grading period can be used to regain eligibility. **A student with one (1) F is automatically ineligible.**

At the nine (9) week grading period a grade check will be done. If at the nine (9) week grading period a student has below a 2.3 grade point average or an F, the student will sit out contests for a minimum of one week. Students may still participate in practice, but are not allowed to participate in contests. Once the student is in good academic standing with no F's, he/she will be allowed to compete again. The Athletic Director will determine student athletic eligibility regarding "good academic standing".

**Cumulative provision: The cumulative provision may be applied only at the beginning of a semester. Only semester grades can be used, including all semester grades starting with the 9th grade year. The cumulative provision may not be applied if a Student has an "F" in the semester immediately preceding participation. The cumulative provision may only be utilized one time in a student's high school athletic career.**

A grade of "INC" will be counted as an "F" for eligibility purposes. Eligibility status cannot be changed for an athlete once teachers have input grades. Extenuating circumstances will be considered if there is proof of errors and omissions. Within 7 days of grade period/posting a reinstated student must be approved by the Dean of Instruction.

Grade checks will be generated bi-weekly through the Athletic Office and submitted to coaches. Students are expected to bring up their grades to a C or better before the next grade check. Coaches are responsible for enforcement of this policy.

Student athletes participating in dual sports must have a 2.50 grade point average and must be in good academic standing.

### **Physical Examination**

T'áa Háishíí' Ólta' Jool Bee Bá Naashnéé Dooleel Nizingo Éí Azee'íí'íni Ápsé Bits'íis Bá Yidinóol'ííí All

athletes are required by the New Mexico Activities Association to have a signed physician's examination on file before they will be allowed to try out for or participate in an athletic program, including practice. Signed parent/guardian permission, emergency contact and health consent forms are also required for the student to participate in sports. No student will be allowed to participate without these forms. Students are required to notify the coach of any medication he/she may be taking. All medications must be checked by the SBHC.

### **Attendance**

Ts'idá T'áa Álahi' Ólta' góne' Atah Hójiilo Dooleel Éí T'áadoo Jiisihigo

The student athlete must attend all scheduled practices and games. A student who cannot attend a practice or game must notify the coach prior to the practice or game by personal contact, phone call, or a written statement from the parent or guardian.

Excessive absences from classes, team practices, games or meetings will be cause for removal from the team. Coaches will determine the number of absences from team practices, games or meetings. Student athletes are required to be in school (the full day or until they leave for a game) the day of a game. Students who miss school the day of a game are not allowed to participate in a game that same night. The only exceptions are a written doctor's excuse or a death in the family. Athletes must make arrangements for any permitted make-up work in their classes with faculty prior to the absence(s).

### **Loss of Interscholastic Athletic Eligibility**

Student athletes are required to abide by school and residential policies. Athletes in each sport are required to abide by the rules and expectations established by the coaches and athletic department. A "Player's Agreement" contract is read, understood, and signed prior to participation. A student athlete who does not adhere to the eligibility requirements stated on the "Player's Agreement" will lose the right to participate in the athletic program.

**Any violation of a major school policy in the Community Handbook may result in loss of interscholastic athletic eligibility as determined by school policy.**

### **Sport Changes**

T'áa Ha'át'íish Bee Atah Nishíi Dooleel Jinizingo, Áadóó Bits'a Jígháago Dóó Nááná la' Bitah Náájídáahgo

Student athletes are expected to maintain the highest level of sportsmanship because the athletic program is an extension of the Academic program.

Athletes may participate in as many sports for which they are eligible. If an athlete wants to participate in dual sports during the same season, he or she must petition in writing to each program coach who will then petition the athletic director for such permission. Athletes are strongly discouraged from quitting a sport while it is in season. If an athlete decides to quit a team, a written notice must be given to the program coach and a copy to the athletic director. If an athlete voluntarily quits a sport, he or she is ineligible to participate in another sport in the same season until the conclusion of that sport.

Any athlete and his/her parents and guardians who have concerns or complaints about rules, regulations, practices, eligibility, discipline or participation, or any other matter must follow the chain of command outlined as follows:

- **Student athlete** meets directly with their coach regarding concerns.
- If matter is not resolved, the level (C, JV, V) coach, program head coach, student and parent/guardian will meet regarding concerns.
- If matter is not resolved, the level coach, program head coach, student, parent/guardian and Athletic Director will meet regarding concerns.
- If matter is not resolved, the level coach, program head coach, student, parent/guardian, Athletic Director and Dean of Instruction will meet regarding concerns.
- If matter is not resolved, the level coach, program head coach, student, parent/guardian, Athletic Director, Dean of Instruction and Head of School will meet regarding concerns.

Concerns should not be addressed to coaches during or after an event. Issues regarding playing time should first be addressed by the student and the level coach. Parent/guardian(s) should entrust school officials and coaching staff to have the best interest of their students and restrain from unruly behavior not conducive to sportsmanship and character building.

## **Required Documents**

Athletes will need to submit the required documents before participating in sports:

- Player Agreement Contract
- Physical Form
- Concussion Fact Sheet for Athletes and Parents
- Athlete/Parent Expectations
- Player/Parent Contact Information Form
- Athletic Participation & Insurance Waiver Form
- Concussion Certificate

## **Athletic Fee**

An athlete joining a sport will pay an athletic fee of \$50.00 per sport **prior** to the first game of the season. The athletic fee will go back to the sport in which the athlete participates in. An athlete will not be able to participate in a sport if required documents and athletic fee is not turned into the Athletic Department.

Do'nijahi bí na' nitini

The Residential Advisor (RA) is in charge of the Residential Hall and is responsible for student supervision. At least one RA is on duty in each Residential Hall during the time that students are not in academic classes. The RA is the major contact person for parent/guardian(s) and students. The RA's are responsible for providing a home environment and support for students. Parent/guardian(s) are encouraged to maintain close contact with the Residential staff and to notify staff of any concerns about their students.

### **Residential Behavioral Health Programs**

The Student Support Specialist is responsible for planning and implementing a comprehensive behavioral health program for students that includes: prevention programs, support activities, early interventions and crisis response. A variety of individual and support groups are available. Parent/guardian(s) are responsible to notify the Dean of Student Life of any changes or situations that may be stressful for a student, such as family emergencies, illness, divorce, death, or abuse. Residential progress reports are mailed to parents/guardians at 9-week intervals (same as quarterly academic grading reports). The Residential Advisors will evaluate the students on compliance with Residential Halls rules, completion of assigned duties, attendance at study hall, and respect for others.

### **Residential Leadership**

*Jizdaádóó binanait'ai siniligíí*

Students are encouraged to develop their leadership potential and to take an active part in the functioning of their Residential Halls. Each residential hall will select officers at the beginning of the school year. These officers will work with the Residential Advisors to plan and implement activities and programs for their Residential Hall based on student interests and needs. Residential hall meetings will be held weekly or scheduled as needed.

### **Room Assignments**

*Tsásk'e bitnahazáanigíí aahidit'áá higíí t'áá ałaa adaat'é*

Room assignments will be made by the Residential Advisor in consultation with the Dean of Student Life. Students may request specific roommate assignments, but these are not guaranteed. Roommates are expected to use good communication skills with each other. When they cannot resolve conflicts by themselves, staff will arrange for mediation. Requests for change of roommates are to be made with the Residential Advisor.

Students who live outside the daily bus routes have first priority to the residential halls. Should a vacancy occur in the Residential Hall, a day student on the wait list can be accepted into the residential hall. At the end of the school year, said student will return to day student status. The student may then again request to be put back on the wait list for the following school year.

## **RESIDENTIAL GUIDELINES**

### **Residential Room Check-In/Check-Out (Semester)**

*Ats'áá' iildéehgo jizdaahdóó ch'éejínéehgo bik'ehgo é'él'í*

All students are responsible for maintaining the cleanliness of their residential room. Individual rooms are inspected and approved by Residential personnel and documented on appropriate check in/out forms. These forms are required to be on file prior to students leaving campus at the end of the academic year. A copy of the check in/out forms will be submitted to NPS Facilities Management.

Damages or vandalism that occurs in a community space and cannot be attributed to an individual(s) will be billed to all residents of the community. As a reminder, residents can be held responsible for the actions of their guests. All residents are encouraged to immediately report incidents of damage or vandalism to their Residential Advisor or Security.

Any damage incurred from personal adjustment of the furnishing including the beds will result in possible fines to cover the cost of repair or replacement.

- \$15.00 mattress cover replacement fee will be charged to the student's account.
- Specialize mattress cover replacement fee is \$75.00.
- All other damages to room will be assessed based upon check in/out status forms and inspection from Facilities Management.
- \$50.00 cleaning fee will be charged for rooms not properly cleaned upon check out. This will be assessed by the Residential Advisors and Dean of Student Life.

### **Residential Student Status**

The Residential Program is a privilege for any students to be a part of and we strive to make it memorable for all of our students.

However, we are not able to house all of our students that have been accepted to Navajo Prep School. The first priority is to house all students that live outside of the daily commuter's routes of Shiprock to Farmington to Bloomfield and to Aztec. It is the parent(s)/guardian(s) responsibility to provide proof of residency for their student to the school register. Only if vacant beds are available, Day Students may be considered for the Residential Program for that school year. If interested, the Day Student will be requested to complete the Residential Form and will be placed on a wait list. A committee comprised of the Dean of Student Life, the Assistant Dean of Student Life and Residential Advisors will review this wait list and make a decision. If selected, the Day Student will be notified and be granted to be in the Residential Program for the remainder of the school year. At the end of the school year, the student will change back to Day Student status due to the need for incoming students for the next school year.

### **Proof of Residency**

All incoming and returning NPS students must submit a proof of residency with their parent(s)/legal guardian(s) name on it verifying they live outside of the daily commuter routes. A current utility statement with the parent(s)/legal guardian(s) is strongly recommended, but a current lease agreement or current chapter verification is also accepted. This proof of residency will allow the residential program to place students in the program fairly.

### **Residential Fees**

When accepted into the Residential Program, all students are required to have their residential fees deposit of \$50.00 paid before June 1 each year. If these fees are not paid for, the student will lose their spot for the residential program and will need to reapply into the Residential Program, which this may entail the student being placed on the wait list until a bed becomes available. If the student is still on the wait list, it is the parent's responsibility to find alternative housing for the student. An opening in the residential program is not always guaranteed, therefore, it is important for students and parents mind the payment due dates.

### **Outstanding Fees**

No students will be allowed to check into the residential program if they have an outstanding bill with the school. In such cases, the student may lose their residential spot and will need to reapply into the residential program. All payment arrangements must be approved by the Business Manager. If the parents/students fail to honor their payment arrangements, the student is subject to becoming a Day Student at the end of the semester. It will be the responsibility of the parents to find alternative housing for their student for the remainder of the school year. In such cases, the student will need to reapply back into the Residential Program for the following school year.

### **Residential Attendance**

Parent/guardian(s) shall notify the Residential Department if a student will be absent from their Residential Hall three (3) or more consecutivedays. If no parent/guardian contact is received from the parent by the third consecutive absence, the Residential Advisors will contact parents/guardians. When a student returns to school after an absence, a note of explanation must be signed by a parent/guardian or a doctor and submitted to the Residential Advisor for documentation purposes for BIE audit. A student may lose their Residential Hall privilege and become a day student for excessive absences.

Residential students are expected to communicate with their Residential Advisor upon leaving and returning to campus. They must be checked out by an authorized adult and verified with appropriate Identification cards. Students may not leave campus without being properly checked out at any given time. Any changes made to the checkout authorization must be made within three days with the school Registrar by the parents/guardians. Students who violate this policy will be considered truant and will receive disciplinary action.

### **Daily Student Sign-In/Sign-Outs**

Outside of academic hours (3:25 p.m. – 7:55 a.m.) students may be signed out of the residential hall by authorized adult over the age of 21. The Residential Advisor will have to check to assure that the person is authorized to sign out the student. All Residential students returning to campus during residential hours MUST sign in at the residential hall with the Residential Advisor upon return to campus.

### **Residential Outings**

Residential Student Life will host various Experiential Learning activities throughout the School Year. Students must maintain Activity Eligibility based on weekly grade checks. These activities include mall trips, movies, skating, bowling, etc.) Students on the At-Risk/Academic Probation or who are failing one or more classes by Grade Check will be restricted from extra-curricular activities.

### **Off-Campus Visitors**

All visitors must check-in with school Security and Residential Halls with appropriate identification cards. Residential Advisors will verify if visitation is approved by parents/guardians. All visitations will be conducted in the residential commons area.
