RE: RESIDENTIAL Check-in/Checklist for Homes

Dear Eagle Student and Family,

Good day from Navajo Preparatory School! We look forward to welcoming you back for SY 2425! Below is information that will hopefully make your check-in process easier on that day:

- Check-in for Male Homes (Arthur/Manuelito): there will be no parking by Arthur Hall for student/parent safety and to avoid car pileups in this area.
- Carts will be available to transport your student items safely to and from the Homes from the parking area. This will be set up on the day of Check-In—limited parking by the Fitness Center and for ADA.
- Check-in for Female Homes (Zah/Bates/Garrett): The parking area is in the gym parking lot.
- **You will receive an email from your residential advisors, who will inform you of your room number and the residential home you will reside in for the year.**
- All Magnus medical information MUST be completed before moving into the Residential Homes.
