Hózhó Naashá - Walking in Beauty

Walking in Beauty: "hózhó naashá"

The four cardinal directions principles defined below are the "beauty way path" in the sense that *beauty* exists within us and around us as the light reflects through a rainbow. The symbol of the rainbow is our sovereign communication with creator.

"hózhó" – means "natural order." The term *natural order* is temporal time, cardinal directions, cycles of seasons correlated with principles placed in the four cardinal directions for a life journey.

THE FOUR CORN-POLLEN FOOTSTEPS

The principles placed within the four cardinal directions are *blissingway* teaching translated to English as "the four corn-pollen footsteps": child-youth-adult-elder.

EAST/White	Child: sunrise-spring-spiritual moral standards for living
SOUTH/Blue	Youth: noon-summer-learning/work/transportation
WEST/Yellow	Parent: sunset-autumn-family/home/story-telling/ceremony
NORTH/Black	Grandparent: midnight-winter-SELF-reverence/reverence for the natural order/hope/restoring resources
CENTER/Red	Fireplace/hearth of home – spiritual family love

Once one has experienced a ceremonial change process to correct the state of dis-ease/disease, their journey is in the *natural order*. Then we are living the loving way, in right relationship to the elements of the four cardinal directions. When we travel through life in this way we are **walking in beauty**.
